Morning Sarah

Thank you for getting in touch.

The absolute minimum we would be able to work would be £3 across the board which is cheaper than our normal prices.

The reason for this is the short duration to actually take anything given the expense of transportation costs in bringing the rides in. Diesel running costs while open, staff wages, insurance for the night. Our costs are currently spiraling and at £2 we would struggle to meet the expense. Hopefully the £3 is a compromise which everyone will be happy with and will still be one of the best value fairs at bonfire events in South Yorkshire for families to enjoy along with the other entertainment.

Please feel free to give me a call though if needed

Kind regards

Stewart

Hi Stuart,

Hope you are well, Council members have been discussing the firework event and have asked if it would be possible for you to implement a £2 charge for rides to make it affordable for families.

We can keep the fee at £300.00 if this is agreed?

Kind Regards

Sarah

Hello Sarah

Thank you for getting back to me. We would be very interested to work with you. WE can offer a £100 per working day rent and a returnable £500 deposit for the ground.

If this would be acceptable for you, look forward to hearing from you.

Kind regards

Erika

Hi Erika,

Council members reviewed the request to hold a circus event in the village next year and are keen to work with you but would just like to confirm what financial compensation would be received for use of the land?

Kind Regards

Sarah
