b. Halloween Party

Council members reported an issue with one parent being intoxicated at the event and advised that the entertainer did not interact with the children throughout the event. A member of the public questioned who was responsible for first aid at the event. The Clerk confirmed that due to the length of the event and the activities taking place a dedicated first aider is not required.

RESOLVED: For feedback to be sent to the entertainer.

c. Firework Event

Council members noted a well-attended event and discussed looking at the option of quieter fireworks. A member of the public raised concerns with the dedicated first aider not being at the first aid point throughout the event, a lack of radios, the condition of the gazebo used for first aid and lost children, and the lack of a defibrillator.

RESOLVED: To look at alternative first aid provision, a robust gazebo, radios and a defibrillator.

d. Remembrance Service

Councillor C Brodhurst Brown expressed thanks to staff, Captain Andrew Payne and the Iain Dove for the work involved in co-ordinating the event. Hi Erika,

Council members have reviewed the further details and will allow the event to take place providing the following is agreed:

A fee of £1,000 is payable for the use of the land plus a deposit of £500.00.

Ground mats are used to avoid damaging the grass

The area allocated for football use is not used.

Please let me know if the terms are acceptable.

Kind Regards

Sarah

As discussed we would like to hold a fun fair for the community on the recreation ground next year.

I have looked in our calendar and the dates I have available are to open from Friday 24th April to Sunday 26th April. We would need 3 set up days in advance probably from the Tuesday (21st) and would vacate by midday on the Monday (27th).

Look forward to hearing from you

Kind regards

Stewart
