

MINUTES OF THE MEETING OF THE COMMUNITY CENTRE AND GENERAL PURPOSES COMMITTEE
HELD IN ARMTHORPE COMMUNITY CENTRE, WELFARE PARK, CHURCH STREET, ARMTHORPE, ON
TUESDAY, 21 APRIL 2026

PRESENT:

Chairperson: Councillor C Brodhurst Brown.

Councillors: A Bradley, L Monks, T Needham, and C Parry.

Clerk to the Council: S Youngman.

C Hughes, Sports and Recreation Officer and L Pedley, Community Clean up Champion.

NOT IN ATTENDANCE:

Councillors N Berry, L Bradley, and M Jackson.

85 APOLOGIES

Apologies for absence were received from Councillors C Head, E North, and M Walton.

RESOLVED: To approve the reasons for absence.

86 TO CONSIDER ITEMS THAT REQUIRE THE EXCLUSION OF THE PRESS AND PUBLIC

None.

87 DECLARATIONS OF PERSONAL AND PREJUDICIAL INTEREST

None declared.

88 MINUTES OF THE MEETING HELD ON 17 MARCH 2026

Council members were provided with a copy of the minutes.

RESOLVED: To approve the minutes as a true record of the meeting.

89 MONTHLY REPORT RECEIVED FROM THE SPORTS AND RECREATION OFFICER

Council members were provided with a copy of the report, which included updates on the ongoing school sports competition, the success of the Easter Holiday Camp, and the launch of the youth club. Members also noted the forthcoming challenge game between Armthorpe Academy and Tranmoor Primary School.

The Sports and Recreation Officer further advised that he had been invited to attend a meeting with Doncaster Council and other local providers to discuss the wider provision of youth clubs across the area.

90 COMMUNITY CLEAN UP CHAMPION

Council members were provided with the latest newsletter, which included an overview of the month's activities, including the Great British Spring Clean event held over a 16-day period. The Clean-Up Champion expressed disappointment at the low level of community participation, despite local businesses and schools being given the opportunity to take part and being offered a choice of days and times.

Councillor C Parry reported ongoing issues with broken glass on the park at Wickett Hern Road and offered to assist with future litter-picking sessions.

The Clean-Up Champion further advised that a litter-picking session had been arranged with Armthorpe Brownies on 22nd April for Earth Day.

91 ESTATES MAINTENANCE OFFICER ROLE

Council members were asked to consider providing the Clerk with the authorisation to purchase a van and grounds maintenance equipment for the new member of staff. Council members were provided with a list of equipment with estimated costs for each item.

RESOLVED: For the Clerk to be provided with delegated authority to purchase the equipment in accordance with the agreed budget of £25,000.00.

92 EVENTS COMMITTEE RECOMMENDATIONS

Council members were provided with a list of payments to approve on behalf of the Events committee.

RESOLVED: To approve the following payments:

1. £5,995.00: RBF Displays: Provision of firework display on 4th November 2026.
2. £1,137.00: Vocon Traffic Management: Road closure management for the Remembrance event.

93 ALLOTMENT PONDS

Council members were provided with a report outlining the liabilities and legal considerations associated with the presence of ponds on allotment plots. The Clerk advised that the Council's insurance provider had confirmed that, as third parties maintain the individual plots, the policy does not extend to cover any accidents or injuries occurring on those plots, irrespective of whether ponds are present. Insurance cover applies only to the public areas of the allotment site for which the Council is solely responsible.

The Clerk further reported that allotment tenants had been asked to provide details of any ponds on their plots, including size and depth. To date, four tenants have confirmed that they have ponds in place.

RESOLVED: That tenants be advised that, while the Council recognises the ecological value of wildlife ponds, the Parish Council is not insured for any liabilities arising from ponds located on individual allotment plots, and that tenants be invited to discuss alternative habitat-enhancing options, such as damp areas or small wetland features, to support local wildlife without creating additional risk.

94 POLICIES

a. Cemetery Management

Council members were provided with a copy of the policy.

RESOLVED: To approve the policy.

b. Terms and Conditions for Hiring Armthorpe Community Centre

Council members were provided with a copy of the amended policy.

RESOLVED: To approve the amendments.

95 CORRESPONDENCE

a. Request from Armthorpe Rovers Junior Football Club.

Council members were provided with a copy of the email requesting permission to use Briar Road Field should the current user no longer require the site.

RESOLVED: To approve the request.

96 ARMTHORPE COMMUNITY CENTRE MATTERS

a. Accessibility Questionnaire Feedback

Council members received a report summarising feedback from community centre users on accessibility.

RESOLVED: To add the feedback to the accessibility action plan.

b. Installation of Hot Water System

The Clerk reported that the new hot water system had been installed; however, a complication had arisen regarding the installation of the control equipment required to boost the system. A further engineer had inspected the installation and provided a quotation of £48.00 per hour to undertake the necessary remedial work.

RESOLVED: To approve the further costs.

c. Male Toilet Repairs

The Clerk advised that the plumber who installed the hot water system had completed the repairs to the toilets reported at the last meeting, and that the associated costs would be presented at the next meeting.

d. Accessibility Report

The Clerk advised that work is ongoing to obtain costs for the priority 1 and M issues.

97 NEXT MEETING DATE

RESOLVED: To meet on Tuesday 18th May 2026 at 7pm.

ARMTHORPE PARISH COUNCIL

Report of the Sports and Recreation Officer to a meeting of the Council's Community Centre and General Purposes Committee, to be held on 19th May 2026

1. INTRODUCTION

The purpose of this report is to update Members of the Committee about (amongst other things) activities undertaken in the previous month since its last meeting

2. YOUTH OFFICER

Liana Kessablian, Youth Officer at Doncaster Council, will be delivering a series of workshops at the Armthorpe Parish Council youth club sessions. She will be working with young people during the Monday sessions, using structured curriculum booklets designed to support their development.

The programme is based on the National Youth Work Curriculum Wheel, which serves as the guiding framework. Our team has developed a comprehensive set of booklets aligned with each segment of the wheel, aiming to promote young people's personal, social, and political development through a range of interactive activities and exercises.

The workshops will be delivered over a six-week period and will take place in the lounge area.

3. MAY HALF TERM

During the May half-term period, I propose to deliver a youth club promotional event for older young people on Thursday 28th May 2026.

This session will take the format of a drop-in youth club programme, hosted within our new facilities at Armthorpe Community Centre Youth Club, and will be open to young people aged 12–16 years. The programme will run from 10:00am to 12:00pm.

Participants will have access to a wide range of social and recreational activities, including games consoles (PlayStation 5), 8-ball pool, and air hockey. In addition, there will be organised outdoor sports activities and indoor group games delivered in the main hall.

The aim of the session is to provide a safe, welcoming, and inclusive environment that promotes positive social interaction, reduces boredom during school holidays, and encourages constructive use of leisure time.

The programme will be delivered free of charge, however parental consent forms will be required for all participants prior to attendance to ensure appropriate safeguarding procedures are followed.

I also request that a member of APC supports the session to assist with supervision and ensure the smooth and safe delivery of activities.

4. CROSS COUNTRY RACE

The Armthorpe Cross Country Race is scheduled to take place between the four Armthorpe primary schools. The event is open to both boys and girls, who will compete in a one-mile race around the Shaw Wood Academy School field and playground.

Each school team will consist of ten runners—five boys and five girls—who will compete against their peers in a single race, testing their endurance and fitness levels. Results will be recorded on both an individual and team basis.

The first runner to cross the finish line will be recognised as the individual winner. The overall team winner, however, will be determined using a points-based system, whereby each runner's finishing position contributes to their team's total score. For example, a fourth-place finish will result in four points being awarded to that runner's team.

At the conclusion of the race, the team with the lowest overall points total will be declared the winning team.

5. ARMTHORPE ACADEMY

Young Leaders from Armthorpe Academy have committed to supporting a range of local events, including school sports days, sports weeks, and community activities such as the inter-school sports competition and the summer gala.

This initiative will not only enhance the delivery and organisation of these events, but will also provide valuable opportunities for the young people involved to develop their leadership skills. By working alongside experienced staff in a structured, adult-led environment, they will gain practical experience, build confidence, and strengthen key interpersonal and organisational competencies.

6. CLEETHORPES TRIP

Armthorpe Parish Council is to offer a complimentary day trip to Cleethorpes on Friday, 7th August for low-income families who may otherwise find it difficult to enjoy a holiday this year. This initiative has been promoted through local schools, community posters, and social media platforms.

The trip will provide children and their families with the opportunity to experience a traditional seaside day, including time on the beach and the option to purchase refreshments such as ice cream.

The coach will depart from Armthorpe Community Centre at 9:00am and will leave Cleethorpes at 4:00pm for the return journey. Please note that places are limited and will be allocated across two coaches.

Families wishing to attend are required to complete the attached application form and return it to Armthorpe Community Centre by 30th June. All applications will be reviewed by Armthorpe Parish Council, and places will be allocated accordingly.

7. ROUNDERS FESTIVALS

The boys' and girls' rounders festivals will take place next month. Teams will compete against one another in this popular non-contact activity. Participants have thoroughly enjoyed the training programme, and it is anticipated that young people will benefit from and enjoy these competitive festivals.

Scoring Rules:

- 2 points are awarded for reaching second base
- 4 points are awarded for reaching fourth base
- 1 point is deducted if a player is out by a catch or stump

8. BUDGET PROPOSAL 2026/27

I would like to request that members of Armthorpe Parish Council consider an increase of £4,940.32 to my budget for the 2026/27 financial year.

This additional funding would enable the delivery of a Summer Holiday Programme for young people. A similar programme delivered during the Easter break proved highly successful, with strong engagement and positive feedback from participants. Not continuing this provision over the summer would represent a missed opportunity to support local young people.

The proposed budget would primarily cover staffing costs, alongside activity expenses such as inflatable attractions, which have consistently been among the most popular and engaging elements of the programme.

Efforts will also be made to secure external funding. Should these applications be successful, the reliance on the full additional budget may be reduced or potentially eliminated. In addition, a fee of £5.00 per child per day is proposed for attendance, which will further offset overall costs.

Summer Holiday Camp Budget Breakdown

Staffing Costs

	Per Day	Per Week	Full Programme
1 x Staff	76.26	305.04	1,220.16
2 x Staff	152.52	610.08	2,440.32

Additional Costs

	Per Day	Per Week	Full Programme
Inflatable Attractions	150.00	600.00	2,400.00
Prizes/Treats		25.00	100.00

Total Additional Budget Requested: £4,940.32

9. BOXING/FITNESS SESSION

The Flying Futures team delivered a boxing and fitness session at our youth club. The young people responded very positively and thoroughly enjoyed the experience. We look forward to sessions like this been provided in the future.

Carl Hughes
Sports and Recreation Officer

Litter Picking Monthly

Talking Rubbish!

APRIL/MAY

THE SUN IS SHINING, THE BIRDS ARE SINGING AND THE LAZY LITTERERS ARE OUT. WORRY NOT FELLOW ECO WARRIORS, THE BITTER ABOUT LITTERS LEAGUE OF LITTER LEGENDS ARE OUT AND ABOUT, PROTECTING THE ENVIRONMENT AND CLEANING UP FOR OUR COMMUNITY!

ABSOLUTLEY BUZZING!

As part of Earth Day 2025 the Bitter About Litter Project put on an evening of Crafts & Curiosity based on this years topic- Polinators.

Well, the session was buzzzzzzing! The children learnt about bees, their life cycles and how honey bees make honey.

They were able to explore a variety of polinating insects from giant flower beetles, native bees and an array of colourful butterflies. Been able to get upclose with microscopes and magnifying glasses to understand how polination works and talking about how vital these little critters are to our planet.

While the main aim of Bitter About Litter is to spread awareness about the impacts of litter, it is equally as important, if not more so to bring nature in any capacity to our children so that they gain an admeration and appreciation for the environment we hope they will care for.

LITTER LEGEND OF THE MONTH!

The Littlest Litter Picker set himself a target this month to tidy up each of the villages Playgrounds to make sure they are clean and safe for every kiddo to play. Thats Pit Top, Wickett Hern Skate, Hatfield Lane and Rands ticked off. Well done Littlest Litter Picker!

HELP IS ON THE WAY...

Throughout the month, The Cleanup Champ gets plentiful messages regarding Grot-Spots and flytipping finds, asking to help either clear it away or assist in reporting it to the council. In most cases The Cleanup Champ is able to tackle the trash asap, especially if it is found on public access. In some cases, flytip reports come through that are too monumental and require heavy duty professionals, equipment or investigation to find the culprit. Please continue to report your finds to Bitter About Litter, every case is looked in to, resolved or passed on to a dedicated Council Team.

The above photo shows a small scale flytip that was reported to Lea and within a few hours was attended to, bagged up and reported to Street Scene for collection. Dozens and dozens of messages came through that evening from upset members of the community which goes to show that together we can make a difference.

A LITTER LIMERICK...

To the litter louts out there,
those tgat don't seem to care,
that drink has helped you through your day,
So why don't you now throw it away.
There's plenty of those bins about,
So why on earth be a litter lout?
It's only one bottle you might say,
But it soon adds to to more each day,

One, two, three or four,
far too many on the floor.
Please, just place it in a bin,
It's the only way that we can win,
The fight to kepp our Village clean,
Come on folks, you know what I mean.

Thank you Jeff for sending in another wonderful poem to help us get the message across. They are fantastic!

"DON'T KNOW WHY YOU BOTHER!"

Is one of the most popular phrases said by others whilst I'm out and about on a trash stomp. While it can be disheartening to hear it again and again, there's also something else I like to think about on repeat.....
....Big change is made up of small actions but done repetatively over time. So why not pick up that bottle you see on the floor, pop it in a bin on your walk. That may well be a small action but each time you head out will make a difference, just believe it.

WORKING TOGETHER

This month, Bitter About Litter joined forces with Ledger Homes to tackle the trash in our community. The team of seven collected over 20 bags of litter and a truck full of bulky items and recycling.

EARTH DAY CHALLENGE

Earth Day 2026, Bitter About Litter and the Armthorpe Brownies sported their vizzie vests and armed with litter grabbers, headed out. The sun was shining and everyone was excited to take on the Earth Day Challenge.

7 teams took to the green on Cowhouse Lane., in the allotted time, everyone filled their buckets to the brim with litter on their mission to protect the environment. The winning team who collected the most was to win prizes but as everyone gave so much effort and energy it was hard to pick a winner! In our eyes, everyone who does their part to help nature is a winner so prizes from Doncaster National Literacy Trust and The Acorn Hub were given to all who took part!

Congratulations on achieving your Earth Day badges, Brownies!

Get In Touch!

Report to Council: Update on Purchase of Equipment and Vehicle for Estates Maintenance Officer

1. Purpose of the Report

To provide Members with an update on the procurement of essential equipment and a suitable vehicle to support the operational duties of the Estates Maintenance Officer, in line with the approved budget allocation of £25,000.

2. Background

At the meeting of committee on 21st April 2026, Members approved a budget of £25,000 for the acquisition of a works van and associated equipment required to enable the Estates Maintenance Officer to undertake grounds maintenance, minor repairs, and routine asset management across the parish.

The Clerk was authorised to progress the purchases in accordance with the Council's Financial Regulations and procurement procedures.

3. Summary of Purchases

The following items have now been purchased to equip the Estates Maintenance Officer

Supplier	Item	Cost
Carrs Autos	Mercedes Citan 109 Van	£6,000.00
Zurich Insurance	Van Insurance	£826.40
K Buter Automotive	MOT, carry out necessary advisory repairs and full service.	£819.71
South Yorkshire Mowers	Honda UMK 425 Multitool Power Head	£295.83
	Long Reach Hedge Trimmer	£295.83
	Strimmer/Brush cutter	£137.50
	Blade & Fittings for Brush cutter Attachment	£41.29
	Honda HHB25E 4 Stroke Leaf Blower	£329.17
	Wheelbarrow	£65.83
	Stiga Telescopic Loppers	£36.00
	Stiga Secateurs	£12.50
	Stiga Pruning Saw	£16.66
	Stiga Garden Shears	£24.99

	Spade	£11.92
	Stiga Reusable Garden Waste Bags	£15.84
	Soft Sweeping Brush	£5.21
	Fuel Funnel	£6.25
	Honda HRG466SK 16" Self-Propelled Mower	£475.00
	Bobcat ZT300 Zero Turn Petrol Lawn Mower with 48" Deck	£6,800.00
	Mulch Kit for Mower	£429.00
	Ifor Williams GD85 Twin Axle General Duty Trailer	£1,800.00
	Garden Hoe	£29.90
	Garden Fork	£16.86
	Garden Hand Trowel	£5.18
	Garden Hand Fork	£5.18
	Lawn Edger	£16.86
	Flexi Tub	£8.07
	227L Water Butt	£128.00
	10L Watering Can	£9.75
	25m Hosepipe with Hose Reel	£56.00
	Hard Sweeping Brush	£8.40
	"People at Work" Sign	£18.49
	Weed Crevice Tool	£19.75
	Twist Weed Remover	£24.00
	Ratchet Straps	£76.92
DVLA	Vehicle Tax	£362.50
Trade Counter Direct	Safety Boots	£73.25
JCB Workwear	Jacket	£26.75
Screwfix	Uniform and Safety Equipment	£138.83
Auto Tintz	Van Sign Writing	£200.00
Total Spend		£19,669.62

Each item was selected based on durability, value for money, and suitability for the range of tasks required across Council-managed land and facilities.

4. Vehicle Repairs

The van required some work following a review of the advisory notices recorded on its most recent MOT. After a full inspection and comparison with the cost of purchasing an alternative vehicle of similar age, mileage, and specification, it was determined that addressing the advisories represented the most cost-effective option. The vehicle remains mechanically sound, and completing the recommended works ensures it is safe, reliable, and fit for purpose while avoiding the significantly higher expenditure associated with sourcing a replacement van from the current market. In addition, all new parts installed as part of the repair works are covered by a twelve-month warranty, providing further assurance of value and long-term reliability.

5. Financial Summary

The total approved budget: £25,000

Expenditure to date: £19,669.62.

All purchases have been made within the allocated budget, and no overspend is anticipated. The remaining balance will be retained to cover any additional equipment requirements that may arise as the Estates Maintenance Officer settles into the role, including items not initially identified during the procurement phase. The residual budget will also support any necessary training to ensure safe and effective use of the new equipment and vehicle.

6. Recommendation

That Council notes the update on the procurement of equipment and a van for the Estates Maintenance Officer and confirms that the purchases have been completed within the approved budget.

EVAC+CHAIR 300H MK5 Evacuation Chair

The Evac+Chair 300H MK5 Evacuation Chair enables the safe, controlled evacuation of people with mobility impairments in emergency situations down a flight of stairs. The chair features a safety belt, a forehead restraint for optional use, and a sling-style seat to ensure the passenger is sitting back in the chair and cannot be tipped forward. The redesigned and strengthened wheels are supported by specially designed friction belts which ensure the chair does not slip or accelerate too quickly while descending a flight of stairs.

- Ideal for areas such as offices, care settings, hotels, entertainment venues, and hospitals
- Single person operation with double handed anti-slip grip for improved stability
- For use on regular stairs (28° - 40°) with a maximum passenger load of 400lbs / 182kg
- Upgraded kickstand with re-positioned wheels, distributes weight more evenly
- Padded material and enhanced safety belt for user comfort
- Provided with photoluminescent signs, hooks for wall mounting, and dust cover to protect the evacuation chair
- Supplied with simplified graphical instructions and user guide
- 5 Year Warranty (based on service and maintenance)
- CE marked and TÜV Certified
- The Evac+Chair 300H MK5 Evacuation Chair is registered with the MHRA
- DDA compliant product and manufactured in the UK by Evac+Chair
- Class I Medical Device and regulated under [PWER](#)

Safety Chair EV-4000

Product Description

The EV-4000 is the standard model evacuation chair from Safety Chair. It provides a quick, easy and safe emergency evacuation that can be managed by a single person, and allows small operators to transport passengers larger than their size.

In seconds, open this chair and adjust the seating position to either flat-seat or hammock. Patient dignity has been greatly considered with this design, offering additional support in its head rest with an immobilisation strap. In combination, use the quick-release, 4-point harness

to secure the passenger and make them as comfortable as possible. The EV-4000 will support up to 200kg, or 441 lbs.

Manufactured with fire-retardant material, this evacuation chair has also been fitted with reinforced, adjustable self-braking tracks that control the speed of descent. In situations where going down a flight of stairs or navigating uneven ground is required, minimal moving and handling is needed for the operator. The heavy-duty front wheels will conquer rugged terrain and is backed by a lifetime warranty.

When not required, fold away the EV-4000 and mount it to a wall with the hooks provided. The handy protective cover will protect the chair from dust whilst not in use. Generally, there is low maintenance for this model, and it can be located easily with its way-finding decals and bright-coloured finish.

Key features

- Adjustable, self-braking tracks.
- Anti-slip, height-adjustable handle.
- Head support with an immobilisation strap.
- Quick-release, 4-point harness.
- Industrial-locking castor wheels.
- Heavy-duty front wheels.
- Way-finding decals.
- Adjustable seating position.
- Fire-retardant.
- CE marked.

Evac Chair Evacuation Chair EV4000

As Low As **£845.00**

Description	Specifications
-------------	----------------

The EV-4000 evacuation chair, with a 200kg (440lbs) capacity and single-person operation, ensures a quick, safe, and easy emergency response. Its sturdy build and intuitive design make it a vital asset for effective and dependable evacuations.

- **Enhanced Control and Safety:** Features adjustable self-braking tracks and heavy-duty front wheels for stable, controlled movement.
- **Ergonomic Handling:** Boasts an anti-slip, height-adjustable handle, ensuring comfortable and secure manoeuvrability.
- **Optimal Passenger Support:** Equipped with head support and an immobilization strap, plus a quick-release 4-point harness for added safety.
- **Efficient and User-Friendly:** Simple to operate, opens quickly, and is ready for use in seconds, offering a rapid solution for emergency evacuations.
- **Versatile and Strong:** Supports single-person operation up to 200kg (441lbs), with adjustable seating position and lightweight construction for ease of use.

Armthorpe Parish Council: BT Connectivity Review

From Kieran Ashe <kieran.1.ashe@btlocalbusiness.co.uk>

Date Wed 06/05/2026 12:01

To clerk@armthorpeparishcouncil.gov.uk <clerk@armthorpeparishcouncil.gov.uk>

Cc Natasha Walker <natasha.walker@btlocalbusiness.co.uk>

Hi Sarah,

Thank you for your time today, it was nice to meet you.

As discussed, full fibre is now available to the site and we recommend the installation of two separate connections, coming into separate parts of the building. Having the two separate connections will allow you to split usage down the middle and also maximise Wi-Fi capacity around the site.

Regards cost, please see below options.

Product	Price (per month)	Setup cost
FTTP 150Mbps	£60.94	FREE (expires 19th May)
FTTP 300Mbps	£65.94	FREE (expires 19th May)
FTTP 500Mbps	£69.94	FREE (expires 19th May)
FTTP 900Mbps	£74.94	FREE (expires 19th May)

Whichever of the above you choose, you'd get up to 6 Wi-Fi boosters per connection to further enhance the connectivity across the site + network security would be included to protect the business from network intrusion.

If you have any questions before making any decisions, just let me know. Once you've made a decision, you'd be looking at a maximum of 2 weeks before installation is complete.

I look forward to your feedback.

Best regards,

Kieran Ashe
